- I participate in the proficiency test animal proteins 2019-A (4 samples of compound feed) and will make a payment of € 250,= excluding VAT.
- I participate in the proficiency test composition 2019-B (1 sample of compound feed), and will make a payment of € 60,= excluding VAT.
- I participate in the proficiency test for the detection of packaging material in former food products (2 samples of bakery products) 2019-C and will make a payment of € 120,= excluding VAT.

When participating in ALL three tests a discount applies of 10%, making the total charge €387,=. Payments (the applicable total of the mentioned amounts, or € 387,=) need to be booked with the name of the SUBSCRIBER to RIKILT according to the invoice send to you after receiving your application.

I accept that the VAT is deductible provided that the VAT number of my institute is available, and that this is applicable only for European Union member states. I understand that my participation is valid only after successful payment. I will receive a written notification of my participation and an indication of the correctness of my results.
