- I participate in the ring trial animal proteins 2020-A (4 samples of compound feed) and will make a payment of € 275,= excluding VAT.
- I participate in the ring trial composition 2020-B (1 sample of compound feed), and will make a payment of € 75,= excluding VAT.
- I express my interest to participate in Test EURL/IAG-2020-C. It is the intention to organise a test with two samples of cereals containing certain levels of ergot sclerotia. This PT will be organised in cooperation with the EURL myco- and plant toxins, hosted by WFSR. A final decision on details of the organisation has to be made. Intended costs: € 150 excluding VAT.

When participating in ALL three tests a discount applies of 10%, making the total charge €450,=. Payments (the applicable total of the mentioned amounts, or € 450,=) need to be booked with the name of the SUBSCRIBER to WFSR according to the invoice send to you after receiving your application.

I accept that the VAT is deductible provided that the VAT number of my institute is available, and that this is applicable only for European Union member states. I understand that my participation is valid only after successful payment. I will receive a written notification of my participation and an indication of the correctness of my results.

Closing date: **Saturday February 29th, 2020**
