Greetings

Dear colleagues,

we are delighted to invite you to the IAG Annual Meeting and practical workshop 2026 co-organised by the IAG board and LTZ Augustenberg in Germany. The workshop and meeting will take place at the LTZ Augustenberg in Karlsruhe starting from 15 to 18 June 2026.

The annual meeting is the unique opportunity to discuss scientific topics on microscopy within the framework of feed safety and control, analytical methods, proficiency tests, new emerging problems related to risks, contaminants or frauds. Furthermore, attending the meeting is the best occasion for sharing with colleagues and experts new technical challenges and opportunities supporting your daily work.

With kind regards

Dr. Meike Eklund

Deputy Head of Division for Feed Analyses
