Ring test of the IAG section microscopy of feedstuff

Dear colleagues,

as discussed at the IAG-meeting 2023 in Bad Hersfeld, Germany, LUFA Nord-West Oldenburg will organize a ring test for the microscopical determination of the composition of a mixed feed.

The specifications will be as follows:

- 1 mixed feed without declaration
- Identification of the components and estimation of their amounts
- Deadline for registration: 08.02.2024
- Sending of the sample: Beginning of March
- Deadline for the results: Mid of April
- Participation fee: 50,00 € (excluding VAT)

If you would like to participate please fill the attached registration form and send it to Christiane.kamp@lufa-nord-west.de till **08.02.2024**.

Kind regards,

Michael Egert
